Mission Statement

<u>JERUSALEM PROCLAMATION</u>	
<p>God is calling the International Pentecostal Holiness Church to become a kingdom of worshiping priests who will worship Him with all their beings – <i>spirit, soul and body</i>. We are to live lives of worship, giving praise continually unto the Lord. Our churches are to be noted for their praise and celebration. We are to learn a worship lifestyle that will model for the whole world what it means to love God with all your might, mind and means.</p> <p>God is calling the International Pentecostal Holiness Church to become an army of witnesses who will live to share the good news. Our whole lifestyle is to be built around the compassion to witness. We are to feast in order to witness. We are to witness as we travel, as we study, as we eat, as we work, and as we play. We are to choose our vocations, our homes, our church sites, our dress, our language, our friends, and our neighbors in order to better witness to this generation. We are to change our lifestyles in order to become more effective witnesses. God is calling us to a witnessing lifestyle.</p> <p>God is calling the International Pentecostal Holiness Church to become a unique instrument of world evangelization which will penetrate many unreached people of this earth with the gospel. We are to gear up like an invading army to go into the strongholds of the enemy with our lifestyle of worship and witness in order to spread the kingdom of God and the reign of King Jesus. We are to go on a wartime basis in order to carry out this God-given mandate.</p> <p>This threefold calling is the foundation for Target 2000. Failure to respond to this call will doom the mission. It will make its mission impossible. Response to this threefold call will assure the possession of our promised land, it will guarantee the taking of our mountain.</p> <p style="text-align: center;"><i>Affirmed by those present as an expression of what the Lord spoke to us in Jerusalem.</i></p>	
<p>Do you accept the above Proclamation as the vision for the IPHC? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>	<p>Date</p>
